

Acknowledgements

Thanks

The following people deserve many thanks for their assistance and support over the past year to see this project to completion:

University of Cincinnati Representative

Ronald Kull

Industry Sponsors

Ricardo Pittella	Arup
Michael Tavolaro	Arup

Industry Contacts

Barrett Bamberger	University of Cincinnati
Kim Starr	Bernard Tschumi Architects
Shayne Manning	THP, Ltd.
David Zelman	Glaserworks
Michael Moose	Glaserworks
Brian Stacy	Arup
Mark Taylor	Nitterhouse Concrete Products

Thesis Advisor

Dr. Linda Hanagan

Honors Advisor

Dr. Lou Geschwindner

Thesis Supervisors

Kevin Parfitt
Jonathan Dougherty

Penn State Architectural Engineering Faculty and Staff

On a more personal note, there were numerous occasions when the love and laughter shared with my family and friends helped relieve the stress of impending deadlines. Without them I would not have made it this year, or any other year at Penn State. It has been a wonderful time, and I am truly blessed by you all.
