

## PROJECT INTRODUCTION

The new Ambridge Area High School (AAHS) is located on Duss Avenue in Ambridge, Pennsylvania. When opened, the 245,325 square foot, three-story high school will replace a facility that is 80 years old located on a site adjacent to the new building.

The Ambridge Area School District (AASD), the largest district in Beaver County, Pennsylvania chose new construction over renovation after many studies. Construction began on August 18, 2005 with substantial completion set for August 23, 2007, and students will occupy the building

on January 5, 2008. Foreman Program & Construction Managers was chosen as the construction manager of the project and makes the high school the forth project in the district using The Foreman Group as a single source Architect, Engineer, and Construction Manager. The total project cost is just over \$42 million and will feature traditional classroom spaces, cafeteria, gymnasium, JROTC target range, and television studio. The Ambridge Area School District hopes the new high school will serve the district for many years to come.
