

PowerPoint Presentation Outline

- Personal Introduction (1)
- Presentation Outline (1)
- Building Overview (2)
 - Location
 - Occupancy
 - Occupancy Types
- Existing Conditions (3)
 - Current Mechanical System –Overview
 - Air Systems
 - Plants (central) - Chillers and Boilers
- Mechanical Depth (10)
 - Goals and Objectives
 - Chilled Beams Design
 - Equipment Changes
 - Annual Cost Savings
 - Energy Recovery
 - Equipment
 - Annual Cost Savings
 - Laboratory Considerations
 - Contamination
- Electrical Breadth (3)
 - Panels Affected
 - Lighting Redesign
 - Effects
 - Electrical Cost Savings
- Construction Breadth (3)
 - Mechanical First Cost
 - Chilled Beams vs. Current Air System
 - Schedule Impact
- Conclusion and Recommendations (1)
- Acknowledgements (1)
- Questions/Impact Slide (1)
