

Table of Contents

Cover Page.....	i
Abstract.....	ii
Table of Contents.....	iii
Executive Summary.....	1
Building Description & Project Background.....	2
Location and History.....	2
Architecture.....	2
Project Team.....	3
Building Systems.....	4
Lighting / Electrical.....	4
Mechanical.....	4
Fire Protection.....	4
Transportation.....	4
Structural System.....	5
Gravity.....	5
Lateral.....	6
Foundation.....	7
Problem Statement.....	8
Solution Overview.....	8
Depth Work.....	9
Frame Layout.....	9
Loads.....	11
Gravity System.....	13
Lateral System.....	14
Architectural Impact.....	16
Breadth.....	17
Topic 1: Construction Management.....	17
Topic 2: Alternative Floor System.....	19
Summary & Conclusion.....	21
References.....	22
Appendix.....	23
Appendix A: Existing System.....	24
Appendix B: Loads.....	25
Appendix C: Depth.....	32
Appendix D: Breadth Topic 1.....	45
Appendix E: Breadth Topic 2.....	51
Appendix F: RS Means Charts.....	54
