

Table of Contents:

Abstract	i
Executive Summary	3
General Building Information	4
Introduction.....	5
Building Envelope	5
Construction.....	6
Electrical	7
Lighting	7
Mechanical	7
Fire Protection	8
Telecommunications	8
Vertical Transportation	9
Existing Structural System.....	10
Problem Statement.....	15
Problem Solution.....	17
Alternate Structural System Design.....	18
Pre-cast Hollow Core Planks.....	19
Masonry Bearing Walls	23
Reinforced Masonry Shear Walls	25
Breadth Studies	33
Construction Management	34
LEED Certification	36
Conclusions and Recommendations	46
Acknowledgements.....	48
References.....	49
Appendix.....	50
