Objective:

I am seeking a full time position in the Construction Management option with an emphasis in on site work. I would like to gain experience with project coordination and site organization.

Experience:

June - Present 2005 University Park, Pa
Intern *Office of Physical Plant*

- Acquired skills needed to write contracts, review specifications, checked change orders and payment applications and helped with bid openings and bidder prequalification.
- Presided over a punch list inspection and furniture coordination as well as traveled with quality control inspectors.

June - August 2004 Harrisburg, Pa
Student *Penn State Capitol Campus*

- Studied in Communications courses and paid for classes by taking in house cleaning jobs.
- Competed in Track Competitions until mid-summer ending by qualifying for USA Team tryouts.

June – August 2003 University Park, Pa
Lab Assistant *Penn State University AE Department*

- Reconstructed computer labs: basic wiring, painting and computer installation.
- Organized a drawing lab by sorting through drawing sets and mending drafting tables.

Education:

2001-2005 The Pennsylvania State University University Park, Pa

- Have skills in drafting, CAD, Preconstruction, MEP systems, building design, and construction issues.
- Completing the fifth year of a CM option of an integrate B.A.E./M.A.E. professional degree with ABET crediting.
- Major GPA: 3.52, Cum. GPA: 3.34
- Expected Graduation: December 2006

Organizations:

2001-2005: Penn State Varsity Track and Field

- Junior All-American, Big Ten Point Scorer, Academic All-American

2002-Present: Member of the National Society of Collegiate Scholars
2003-Present: Member of the Student Chapter of the Partnership for Achieving Construction Excellence (S:PACE)
