

Acknowledgements

- *I would like to thank the following Industry Professionals for help with the following items:*
 - Mitch Leiby ...everything and anything I wanted to know about the CHRRA*
 - Ron Mantegna ... everything and anything I wanted to know about aluminum glazing*
 - Bill Gladish ... the overview of the Geisinger Health System*
 - Jim Golemboski ... how to set up a prefabrication facility for a specific job*

- *Fellow AE students for all the random help regarding computer programs, calculations, etc.*
 - Noah Asbaugh ... I know I asked you three times how to print out my schedules*
 - Joe Bednarz ... structural help and literature*
 - Sean Ehlers ... thanks for the optimism*
 - Vivien Luo ...the prefabrication extraordinaire*
 - Jason McFadden ... the help with getting the right words and setting up ICON Lab*

- *AE Faculty for all the assistance with formulating my ideas into a manageable thesis*

- *My friends and family for helping to cheer me up during those long hours and putting up with me during those crunch times. I could not have done it without you.*
