Eric W. Fedder

Current as of 5/2010

I am a responsible, goal-orientated individual determined to complete each task to the best of my ability. I am comfortable in any leadership position and often find myself taking the lead in group situations. My time management skills allow me to prioritize and allocate the proper amount of time for each task, while my dedication and commitment produce high quality results. I work well with others and enjoy becoming a part of a team that works within an *integrated* atmosphere.
