Current Address

348 Blue Course Drive, Apt. 249A
State College, PA 16803

Education:

The Pennsylvania State University - University Park, PA

Bachelor of Architectural Engineering (BAE), ABET Accredited

Concentration: Construction Management (CM)

Expected Graduation Date: May 2013

Cumulative GPA: 3.35/4.00

Experience:

Gilbane Building Solutions, Baltimore, MD – *Towson Tiger Arena, \$55M (Summer 2012) - Intern*

- Managed and negotiated change orders with Façade and General Trade contractors.
- Updated drawings, posted RFI's, and ASI's electronically.
- Assisted in the procurement of Towson Tiger Arena's AV package worth \$1.5M and phase one of a \$50M Business Management Complex at Morgan State University.
- Reviewed Submittals including Misc. Steel, Door Hardware and Frames, and Interior/Exterior finish materials.
- Managed LEED data for submission.

Clark Builders Group, LLC., Washington, D.C. – *Enclave at Emerson, \$12M (Summer 2011) - Intern*

- Worked at a variety of Multi-Family and Mix-Use residential project sites including "The Galaxy, Enclave at Emerson and Blue Stream" located in the Maryland and D.C. metro area.
- Managed quality, schedule and safety of subcontractors on a daily basis.
- Gained invaluable hands-on experience by managing subcontractors such as infrastructure, excavation, structural, interior finishes and more.

Fairway Lawn Maintenance, Pittsburgh, PA (2007-2011) - *Entrepreneur and Owner*

- Completed all bills, paperwork, proposals and purchasing of equipment.
- Secured future work by effectively communicating with potential clients and marketing through local businesses.
- Managed a crew of three employees and completed physical maintenance.

The Pennsylvania State University Golf Course, State College, PA (2010-present) – *Outside Operations*

- Managed the driving range and movement of all golf carts.
- Organize major team and corporate golf events.

Stoecklein's Bake Shop, Pittsburgh, PA (2008-2009) - *Carpenter*

- Performed physical labor with my family to rebuild existing structure.
- Helped create plans used to design the layout of shop.
