

Kevin Angle

Current Address:

318B South Burrowes St.
State College, PA 16801
(814) 272 - 5939
Email: kga104@psu.edu

Permanent Address:

877 Stewartstown Rd.
New Freedom, PA 17349
(717) 487 - 3446
Email: kgangle12@aol.com

Objective: To extend my knowledge in the mechanical field through an entry-level position in the fall of 2003.

Work Experience: **Burdette, Koehler, Murphy and Associates, Baltimore, MD**

Mechanical/Electrical/Plumbing Design Firm
May, 2001- May, 2002, Summer 2000
Participated in HVAC Load Calculations in School and Laboratory Applications
Worked on Plumbing Design including RO and Medical Gases on Triad Technology Center
Fieldwork experience on various Veterans Administration Buildings

National Certified Testing Laboratories, Emigsville, PA

Window Testing Lab Center
Summer 1999 - Report Technician
Verified Solar Heat Gain Calculations and checked Visible Transmittance Values

Computer Experience: Autocad 14, 2000, 2002, HAP v4.04, Engineering Equation Solver (EES)
Microsoft Word, Excel, Powerpoint

Education: **Pennsylvania State University, University Park, PA**
Bachelors of Architectural Engineering (ABET Accredited)
Graduation Date: Summer 2003
G.P.A: 3.2 / 4.0

Related Courses:

Advanced HVAC Systems Design, Thermodynamics, Fluid Flow, Architectural Acoustics, Electrical and Illumination Systems Design, Centralized Cooling Production (Graduate Class), Simulation / Optimization (Graduate Class)

Senior Thesis:

Allegis Group Headquarters (Race Road Office Building) – Hanover, MD
ASHRAE Standard 62 Ventilation Report, Building Load and Energy Analysis, LEED green building certification analysis
Website: (www.arche.psu.edu/thesis/kga104)

Activities: American Society of Heating, Refrigeration, and Air Conditioning Engineers
National Association of Home Builders (2002)
Student Society of Architectural Engineers (1999)
