## ACKNOWLEDGEMENTS

I would like to extend a special thanks to the following for their help in my education and especially in regards to this thesis:

- **L. Robert Kimball and Associates**, for providing me with my thesis building, complete plans, and educational help along the way. Especially **Larry Zdinak**, **Chris Bowers**, **Brian Cannone**, and **Diane Glarrow** for their personal assistance.
- **Dauphin County General Authority** and General Manager, **William Hawk**, for approving the use of their building for my thesis.
- **Hyatt Global Corporation**, for allowing, in coordination with Mr. Hawk and the Dauphin County General Authority, the use of the building.
- **Dick Corporation**, for providing information on the construction and cost data for the project.
- **The entire Penn State Architectural Engineering Department**, for the invaluable information I have learned throughout my education.
- **My friends and family**, for supporting me in all my ventures.
