

1. Go out of State College going south on Atherton
2. In Boalsburg turn left onto east route 45 shortly before the beer distributor, you'll be on this for like 30 to 40 miles
3. A few miles after you go over the mountain you come into the town of Harelton. After the church on the right make an angled right turn onto millmont road. DO NOT speed in this town.
4. Stay on millmont road until you cross a cement bridge over the creek and can no longer go straight. Turn left onto Canada Drive.
5. Stay on Canada Dr. until it dead ends at two dirt roads. Take the dirt road on the right and go 1.2 miles. You'll go up hill, down hill, back up hill and as it flattens out, turn down the drive way to the left and you're here.
