

## ACKNOWLEDGEMENTS

I would like to extend a special thank you to:

The Project Team  
Capstone Development  
Greenman-Pedersen, Inc.  
Turner Construction  
Design Collective

My AE Professors  
Professor Parfitt  
Professor Memari

My classmates  
Justin Bem  
Donnie Bockoven  
Pat Murphy  
Lauren Wilke

A special thanks to my boyfriend Jeff for his mechanical engineering genius and helping me with heat transfer for my LEED portion of the report

I especially want to thank my family for putting up with me for the past 4 months, giving me the encouragement I needed to finish this project and reassuring me that graduation is around the corner!
